[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Our Plan is comprehensive and addresses the major issues confronting the Amsterdam Housing Authority. If we accomplish the goals presented in the Plan we will fulfill our major goal of continuing to provide decent, safe and affordable housing to our residents.

A few of the notable parts of our approach will be:

- We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section Program, we are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.
- We have implemented a deconcentration policy.
- Applicants will be selected from the waiting list in order of the date and time they applied.
- We have established a minimum rent of \$25.00
- We have established flat rents for all of our developments.
- We are going to utilize the published FMR's as our payment standard for the Section 8 Program.
- Established a Family Self-Sufficiency Program for Conventional Housing.
